Some of our products are in the news:

Now offering fixed* and project-based rates, revenue sharing†, and *Flex Staff* – because one size doesn't fit all.

Fixed: One monthly rate per selected team(s).

Project: Custom quoting for projects with media, creative, consulting, advertising or tech, as needed.

Revenue share: We grow your business to receive a percentage of sales, with no up front cost to you.

Flex Staff: Napkin talent as full time contractors. Pay one monthly fee and we cover the rest – HR, staff, quality, payroll, w-2, 1099, and check-ins.

Napkin's roster has 450+ elite professionals with Fortune 500 corporations, top consulting firms, accelerators, film studios and more. [Contact us today >>](#)

* Fixed monthly rates are \$10,000-\$20,000 per team involved (media, consulting, advertising, creative, technology) with unlimited use of teams until set milestones are completed (typically between 1-3 months each). Scope of Works (SOW's) are created and followed weekly

† Revenue sharing is by application and are typically reserved for \$1,000,000 and greater revenue generating entities, with Napkin fees tiered between 1-9% of gross revenue, payable on a monthly basis after each month of work is provided and performance is measured.
